

ACTIVE MILITARY BANNER PROGRAM

RECOGNIZING AND HONORING THOSE WHO SERVE

The City of San Marino will once again honor community members who are actively serving in the U.S. Armed Forces or attending a military academy by proudly displaying personalized street banners on poles throughout the center of town from early September through early November. New banners will be printed for new and returning qualified applicants. The banner will then be stored and displayed yearly while the service person is on active duty or attending an academy.

The program is offered at no cost to the military members with the hope that the project can be funded entirely through donations.

San Marino residents (current, former, or persons who live in the SMUSD boundary) or high school graduates of San Marino High or Southwestern Academy who are active members or reservists of the U.S. Armed Forces (Army, Navy, Air Force, Marines, Coast Guard or National Guard), or those attending a military service academy may apply. The application below can be filled out by the military serviceperson or a family member.
