ARTICLE I

RECOGNITION OF THE ORGANIZATION

Section 1.1. RECOGNITION. The City of San Marino (hereinafter called the "City") has recognized San Marino Firefighters' Association (hereinafter called the "Association") as the majority representative of employees in the classifications of: Firefighter, Firefighter/Paramedic, Fire Engineer, and Fire Captain (hereinafter the "affected employees").

Section 1.2. MAJORITY REPRESENTATION. The City shall recognize the Association as the majority representation of all employees in these classifications for the purpose of meeting its obligations under this Resolution, the Meyers-Milibas-Brown Act, Government Code 3500, et seq., when the City's rules, regulations, or laws affecting wages, hours, and other terms and conditions of employment are appropriately amended or changed.

Section 1.3. FILING OF PETITIONS. This written contract shall bar the filing of a Petition for Certification or Petition for Decertification of a recognized employee organization for this employee representation unit during the term of this Memorandum of Understanding, provided that a Petition for Certification or Decertification may be filed during a period beginning not earlier than 120 calendar days and ending not less than 90 calendar days before expiration of said Memorandum of Understanding.

ARTICLE II

NON-DISCRIMINATION PLEDGE

ARTICLE IV

ORGANIZATION RIGHTS

Section 4.1. DUES DEDUCTIONS. The City shall continue its present policy of payroll deductions on a twice a month basis of Association dues and assessments, and supplemental group life insurance payments, in the amount certified to be current by the Treasurer of the Association and as authorized in writing by the individual employees. The total amount of deductions, together with a current list of Association members, shall be remitted by the City to the Treasurer of the Association within ten (10) calendar days of the last monthly deduction.

Section 4.2. INDEMNIFICATION. The Association agrees to hold the City harmless and indemnify the City against any claims, causes of actions, or lawsuits arising out of the deductions or transmittal of such funds to the Association caused by the Association's negligence. The Association shall notify the City within ten (10) calendar days of any discrepancy(ies) concerning Association dues or other payroll deductions pursuant to this Article. If the Association does not notify the City of any discrepancy within ten (10) days, the City shall be relieved of any responsibility for any asserted discrepancy.

Section 4.3. DEFINITIONS. For the purposes of this Memorandum of Understanding, the following definitions shall be used:
A. **Reasonable number of stewards** should be interpreted to mean one (1) person identified on each individual shift for the purpose of conducting Association activities during on-duty hours, plus one steward-at-large. The steward-at-large shall only act as steward in the absence of the usually designated steward, and time spent by the steward-at-large in this capacity shall be at no additional cost to the City.

B. **Reasonable amount of time** to promptly and expeditiously investigate and process grievances shall not be specifically defined in this context for it might be viewed as encouraging abuse. "Promptly and expeditiously" obviously relate to the amount of time spent. The word "process" in this context means only to discuss the matter with the griever, record information, advise or recommend action, assist in the completion of documents necessary to formal grievance processing, investigate allegations which may form the basis for the grievance, and, if so requested, appearance with the griefer at the first formal level of grievance resolution.

C. **Grievance.** See Section 7.2 for definition of Grievance.

D. **Cognizant supervisor** means the shift supervisor present at the work location.

**Section 4.4. STEWARDS.** The Association may select a reasonable number of stewards for this unit, as defined herein. The Association shall give to the City Manager's Office and Fire Chief a written list of employees who have been selected as stewards. This list shall be kept current by the Association; and forwarded to the City Manager and Fire Chief each time there is an update.

Stewards may spend a reasonable amount of time to promptly and expeditiously investigate and process grievances without loss of pay or benefits of any kind. Stewards shall be free from reprisal and shall not in any way be coerced, intimidated, or discriminated against as a result of their activities and roles as stewards.

Stewards, when leaving their work locations to transact any such investigation or processing of a grievance or potential grievance, shall first obtain permission from the shift supervisor and inform him/her of the nature of the business. Permission will be granted promptly unless such absence would cause undue interruption of work. If such permission cannot be granted promptly, the steward will be immediately informed when the time will be available.
Upon entering a work location, the steward shall inform the cognizant supervisor of the
nature of his/her business. Permission to leave the job will be granted promptly unless
such absence would cause an undue interruption of work. If the employee cannot be
made available, the steward will immediately be informed when the employee will be
made available.

The Association agrees that a steward shall not log compensatory time or overtime pay
for the time spent performing any function of a steward.

The role of the steward is to provide timely grievance representation at the first steps of
the grievance procedure in an effort to resolve grievance at the lowest possible level
and to increase communications between the Association and the City.

Section 4.5. REPORTING FORM. The Association does not object to the use of a
form for the purpose of recording the amount of time spent by stewards in their work on
grievances. Such a form might provide for signatures of affected supervisors, reasons
for refusals if release time is not granted and exact time in and time out notations. An
evaluation of such forms could be of value in determining what a "reasonable amount of
time" is, and might point to the "personnel problem areas." The Fire Chief shall receive
and review these forms for the purposes of monitoring steward time.

Section 4.6. STEWARD’S PERMISSION TO LEAVE WORK LOCATION. As indicated
above, both permission and denial of a request to leave a work location by a steward to
investigate or process a grievance or potential grievance shall be recorded with a
signature by the shift supervisor and the time on the appropriate form. Notations as to
the reasons for a possible denial of the request and the time when the time may be
expected to be made available should also be recorded on this form.

Section 4.7. INCREASED COMMUNICATION BETWEEN THE ASSOCIATION AND
THE CITY. The City might reasonably expect that the Association would report the
results of any meeting wherein employees have been permitted to participate on City
time in their role as shop stewards. This would be intended specifically to cover those
situations wherein the grievance might not be pursued beyond the initial or
informational stage.

Section 4.8. ALLOWED TIME FOR STEWARDS. City agrees to allow stewards a
maximum of two (2) hours per week to transact and discuss Association business
during their regular working hours, unless prior approval of an amount greater than two
(2) hours has been given by the City Manager, subject to absences from the assigned
task being approved by the shift supervisor.
ARTICLE V

NO STRIKE-NO LOCKOUT PLEDGE

Section 5.1. ASSOCIATION PROHIBITED CONDUCT. The Association, its officers, agents, representatives and/or members agree that during the term of this Agreement, they will not cause or condone any strike, walkout, slowdown, or any other concerted job action, by withholding or refusing to perform services.

Compliance with the request of other labor organizations to engage in such activities is included in this prohibition.

Section 5.2. NO LOCKOUT. The City agrees that it shall not lockout its employees during the term of this Agreement. The term “lockout” is hereby defined so as not to include the discharge, suspension, termination, layoff, failure to recall, or failure to return to work of the employees of the City in the exercise of its rights as set forth in any provisions of this Agreement or applicable ordinance or law.

Section 5.3. ASSOCIATION RESPONSIBILITY. In the event that the Association, its officers, agents, representatives, or members engage in any of the conduct prohibited in Section 5.01 above, the Association shall immediately instruct any persons engaging in such conduct that their conduct is in violation of this Memorandum of Understanding and request that all such persons immediately cease engaging in conduct prohibited in Section 5.01 above, and return to work.

ARTICLE VI

PROBATION

Section 6.1. PROBATION PERIOD. A new employee initially appointed to a class shall serve a probationary period during which the employee shall have an opportunity to demonstrate suitability for the job. For all fire safety employees the initial probationary period shall be eighteen (18) months, beginning on the effective date of employment. Temporary status does not count toward a new employee's probation period (see Section 8.12).
An employee who has been promoted to a higher classification shall be on probation for eighteen (18) months. Under certain conditions, if necessary to adequately evaluate such employee, based on the Fire Chief’s recommendation and the City Manager’s approval, the probationary period may be shortened or extended; and the employee shall be provided with the reasons and rationale, in writing, upon which the action is based.

**Section 6.2. PERMANENT STATUS.** The employee shall attain permanent status in the classification upon successful completion of the probationary period.

**ARTICLE VII**

**GRIEVANCES**

**Section 7.1. PURPOSE OF GRIEVANCE PROCEDURE.** This grievance procedure establishes a means by which an employee grievance may be considered, discussed, and resolved in a timely manner and at the closest possible level to the point of origin.

The parties shall make every effort to resolve any dispute prior to it being reduced to writing or at the lowest step in the grievance procedure. The parties may, by mutual written contract, agree to file a grievance at a step other than Step 1 herein if the grievance cannot be resolved at the lowest step.

It is understood that the intent of the grievance procedure is to resolve disputes and to avoid confrontations.

**Section 7.2. GRIEVANCE.** For the purpose of this Memorandum of Understanding, a grievance is defined as a claimed dispute between the City or its representatives and the Association, an employee, or a group of employees. A dispute shall be defined as a specific and identifiable claimed violation, misinterpretation, inequitable application or noncompliance with federal or state laws, City Code, rules and regulations, salary resolution, existing rules, or this Memorandum of Understanding.

**Section 7.3. GUIDELINES.**

A. The grievant is entitled to representation of his/her choice.

B. Employees are assured freedom from reprisal for using the grievance procedure. An employee who has initiated a grievance, or assisted another employee in initiating and/or processing a grievance, shall not in any way be coerced, intimidated, or discriminated against.
C. The grievant and/or the grievant's representative may use a reasonable amount of work time in conferring and presenting the grievance and appeal. However, no employee shall transact such matters and/or shall be absent from the assigned work place without first obtaining approval from the employee's supervisor.

D. There shall be an earnest effort on the part of both parties to settle the grievance promptly through the steps listed below:

Step 1. An employee's grievance must be submitted immediately to the employee's shift supervisor or management representative in charge of the aggrieved employee within ten (10) calendar days after the event giving rise to the grievance, or reasonable knowledge of the event giving rise to the grievance. The shift supervisor or management representative shall give his/her answer to the employee by the end of the tenth (10th) calendar day following the presentation of the grievance, and the giving of such answer will terminate Step 1. Should the shift supervisor or management representative not answer within ten calendar days, the grievance will be deemed denied at the end of the tenth (10th) calendar day following the presentation of the grievance, and the employee may appeal it to Step 2.

Step 2. If the grievance is not settled in Step 1, the grievance will be reduced to writing by the employee, fully stating the facts surrounding the grievance and detailing the specific provisions of this Memorandum of Understanding alleged to have been violated, signed and dated by the employee, and presented to the Fire Chief within ten (10) calendar days after termination of Step 1. A meeting with the employee, employee's representative and Fire Chief will be arranged at a mutually agreeable location and time to review and discuss the grievance. Such meeting will take place within ten (10) calendar days from the date the grievance is received by the Fire Chief. The Fire Chief may invite other members of management to be present at such meeting. The Fire Chief shall give a written reply by the end of the tenth (10th) calendar day following the date of the meeting, and the giving of such reply will terminate Step 2. Should the Fire Chief not give a written reply within ten (10) calendar days from the date the grievance is received by him, the grievance will be deemed denied at the end of the tenth (10th) calendar day following the presentation of the grievance under step 2, and the employee may appeal it to Step 3.

Step 3. If the grievance is not settled in Step 2, the employee shall reduce his/her grievance to writing, including the reasons for proceeding to this step,
and submit it to the City Manager or his/her designee within ten (10) calendar days after the termination of Step 2. The City Manager or his/her designee shall arrange a meeting to be held at a mutually agreeable location and time to review and discuss the grievance. Such meeting will take place within ten (10) calendar days from the date the grievance is referred to Step 3. A written decision shall be rendered within ten (10) calendar days from the date of such meeting. If the City Manager or his/her designee does not provide a written decision within ten (10) calendar days following such meeting, the grievance will be deemed denied at the end of the tenth (10th) calendar day following such meeting, and the employee may go to advisory arbitration.

Section 7.4. TIME LIMITS. The limits set forth above may be extended by mutual written contract between the parties, but neither party shall be required to so agree.

Section 7.5. NO CHANGES. It is not intended that the grievance procedure shall be used to effect changes in the established salary and fringe benefits.

Section 7.6. ADVISORY ARBITRATION. Grievances which are not settled pursuant to the grievance procedure above and which the Association/employee(s) desire to resolve further may be submitted to arbitration as provided below:

A. As soon as possible and in any event not later than ten (10) calendar days after the City Manager has received written notice from the employee of the desire to arbitrate, the parties shall agree upon an arbitrator. If no contract is reached within said ten (10) calendar days, an arbitrator shall be selected from a list of five (5) arbitrators submitted by the State Conciliation Service or Federal Mediation and Conciliation Service by alternate striking of names until one name remains. The party who strikes the first name from the panel shall be determined by lot.

B. Either the City or the employee may call any employee as a witness, and the City agrees to release said witness from work if he/she is on duty.

C. The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Memorandum of Understanding. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties in the presence of each other.

D. The decision of the arbitrator within the limits herein prescribed shall be advisory to the City Council.
E. The arbitrator may hear and determine only one grievance at a time without the expressed contract of the City and the Association.

F. The cost of the hearing officer and court reporter shall be shared equally between the City and the Association regardless of the outcome.

ARTICLE VIII

WAGE AND SALARY POLICY

Section 8.1. BASIC COMPENSATION PLAN. A schedule of job classifications together with salary rate ranges is set forth in Exhibit A and attached hereto. Said salary rates shall be effective as indicated. All employees within the bargaining unit shall be paid in accordance with the terms of Exhibit A.

Section 8.2. SALARY AND WAGE SCHEDULES.

Effective July 1, 2019, all classifications shall receive a base salary increase of three percent (3%).

Effective July 1, 2020, all classifications shall receive a base salary increase of two percent (2%). The Salary Schedule is set forth in Exhibit A.

Effective July 1, 2021, All classification shall receive a base salary increase of two percent (2%). The Salary Schedule is set forth in Exhibit A.

The salary and wage schedules attached hereto shall constitute the basic compensation plan consisting of five (5) Steps or rates of pay in each range.

The respective ranges shall be identified by job title and the Steps by the letters "A" to "E" inclusive.

Section 8.3 ADMINISTRATION OF BASIC COMPENSATION PLAN. The compensation ranges and steps contained in the monthly salary schedule in Exhibit A hereof are monthly compensation rates not including premium pay on hours worked over 91 in a 12 day FLSA cycle.

For all employees covered by this Memorandum of Understanding, the work schedule shall be considered to be ninety-six (96) hours during a twelve-day (12) day period. This is equivalent to an average of 243 hours per month (2920/12).
The hourly rate of pay shall be the monthly rate multiplied by twelve (12) and divided by 2920 as represented in Exhibit A. In determining the hourly rate as herein provided, compensation shall be made to the nearest cent.

A shift shall be considered to be equal to twenty-four (24) hours.

Section 8.4. BEGINNING RATES. A new employee of the City of San Marino shall be paid the rate shown in Step "A" of the range allocated to the classification of employment for which the employee has been hired. An employee may be placed in a higher range at the discretion of the Fire Chief with approval by the City Manager.

Section 8.5. SERVICE. The word "service," as used in this Memorandum of Understanding, shall be defined to mean continuous, full-time service in the employee's present classification, service in a higher classification, or service in a classification allocated to the same salary range and having generally similar duties and requirements. A lapse of service by any employee for a period of time longer than thirty (30) calendar days by reason of resignation or discharge, shall serve to eliminate the accumulated length of service time of such employees for the purpose of this Memorandum of Understanding. Such employee(s) reentering the service of the City shall be considered as a new employee(s), except that the employee may be reemployed within one (1) calendar year and placed in the same salary step in the appropriate compensation range as the employee was at the time of the termination of employment, at the discretion of the Fire Chief and upon approval by the City Manager.

Section 8.6. ADVANCEMENT WITHIN SCHEDULE. The following regulations shall govern salary advancement within ranges:

A. Service Advancements. After the salary of an employee has been first established and fixed under this plan, such employee may be advanced to the next available Step effective the first day of the next pay period following the date of successful completion of six months of continuous full time employment, pursuant to an evaluation and the Fire Chief's recommendation and approval by the City Manager.

B. Merit Advancement. An employee may be considered for advancement from one Step to the next higher Step upon completion of the minimum length of service. The effective date of such merit increase, if granted, shall be the first day of the next pay period following approval by the City. Advancement to any step shall be granted only for continuous, meritorious and efficient service by the
employee in the effective performance of his/her position based on the performance evaluation.

A merit advancement requires the Fire Chief to file with the City Manager or his/her designee a statement recommending the award or denial of the merit increase and to support any such recommendation with specific reasons thereof.

If the employee is not considered within 30 days after meeting the minimum length of service and the employee is later deemed to have been worthy of a merit advancement on the date that the minimum length of service was completed, the merit advancement shall be effective on the first day of the pay period following the completion of the minimum length of service.

C. Special Merit Advancement. In such cases as may occur wherein an employee shall demonstrate exceptional ability and proficiency in the performance of duties, the Fire Chief may recommend to the City Manager that said employee be advanced to a higher pay step without regard to the minimum length of service provisions contained in this Memorandum of Understanding. The City Manager may, on the basis of the Fire Chief’s recommendation, approve or deny such advancement.

D. Length of Service Required When Advancement is Denied. When an employee has not been approved for advancement to a higher salary step, the employee may be reconsidered for such advancement at any subsequent time. This reconsideration shall follow the same steps and shall be subject to the same actions as provided in subsection (B) herein.

Section 8.7. PROMOTIONAL TESTING. Promotional testing for the positions of Captain and Engineer will be conducted by the City’s Human Resources Division at a minimum of once every two (2) years with Eligibility Lists certified no later than May 31st of the testing year. Tests will alternate annually between Captain and Engineer. It is recognized that events beyond the City’s control may at times prevent a strict adherence to this timetable; however, it is the mutual intent of the City and the Association that this schedule be maintained in order to facilitate timely testing and promotions, and eliminate unnecessary vacancies in these ranks due to attrition.

Section 8.8. COMPENSATION INCREASES FOR PROMOTIONS. Any full-time employee promoted to a higher classification shall receive an increase in compensation, which is at least five percent (5%) higher than the employee’s last salary and within the salary range for that position. At the discretion of the Fire Chief and the City Manager, an employee may be granted a two (2) or three (3) step salary increase
upon promotion. The date of promotion shall then be considered the new anniversary date for purposes of eligibility for further compensation increases, except that no merit increase shall be given until after six (6) months in the higher classification, regardless of the requirement for a probationary period.

Section 8.9. PERMANENT STATUS AFTER PROMOTION. The employee shall attain permanent status in the position upon successful completion of the probationary period required in Section 6.1. An employee who does not satisfy the standards of the higher classification during the probationary period shall be notified in writing. Such notice shall include the reasons for such action. If the permanent status is not achieved, such employee shall be demoted to the appropriate Step in the employee’s former classification.

Section 8.10. COMPENSATION ON DEMOTION. When an employee is demoted, the employee shall retain the same step as the employee held in the previous salary range. Increases in compensation shall thenceforth be in accordance with the schedule set forth in Section 8.6 of this Article as if the employee was originally employed in the new classification range.

Section 8.11. EMPLOYMENT AGREEMENTS. In order to promote employee retention, team building, employee safety and productivity, Association supports City requirement that new employees shall enter into an employment agreement, the purpose of which is to discourage the new employee from unilaterally terminating employment prematurely.

ARTICLE IX

OTHER WAGE AND HOURLY BENEFITS

Section 9.1. OVERTIME WORKED. Regarding fire suppression employees regularly assigned to a 24-hour shift schedule who work overtime, the City shall compensate the employee with pay at 1.5 times the employee’s hourly rate on any hours worked in excess of 91 hours in a 12 day FLSA period or with equal time off (compensatory time off). Any hours worked in excess of 96 hours in a 12 day FLSA period shall first be authorized by the Fire Chief or his designee. The employees shall indicate their preference for receiving pay for overtime or compensatory time off. The City shall pay all overtime earned no later than the pay period following the pay period in which it is earned. Emergencies may arise in which this is not possible.
Compensatory time for overtime worked in each day will be accumulated in one-half (1/2) hour increments. Where an employee works less than one-half (1/2) hour of overtime, the employee shall not receive compensatory time for overtime of less than one-half (1/2) hour. In order to be entitled to overtime, such overtime must be authorized by the Fire Chief.

Nothing herein is intended to limit or restrict the authority of the City to require any employee to perform overtime work.

Section 9.2. PAYMENT UPON TERMINATION. Employees shall be entitled to receive payment for all accumulated compensatory time off upon their termination, to be paid on the pay period following the final date of employment with the City.

Section 9.3. USAGE OF COMPENSATORY TIME PREVIOUSLY EARNED.

A. Accumulated compensatory time off may be taken by an employee upon reasonable written notice and prior approval of the Fire Chief.

C. In any instance involving use of a fraction of an hour of compensatory time off, the minimum charge to the employee's compensatory time off account shall be one (1) hour.

In approving an employee’s request to take accumulated compensatory time off, the Fire Chief will, as far as practicable, attempt to accommodate employee convenience to the degree possible in light of the operational requirements of the Fire Department, which shall take preference.

There will be no additional pay for temporary hours worked prior to the first full shift of the temporary assignment to Engineer.

The five percent (5%) pay differential shall be calculated based upon the base hourly wage of the covered employee's permanent rank at straight time, not the overtime rate, and must fall within the salary range of the position to which the employee has been temporarily assigned.

Section 9.5. OTHER ACTING POSITIONS. Acting positions may be established when deemed necessary by the Fire Chief.

An outside service is defined as an assignment to provide life safety services (e.g., fire safety, emergency medical care, fire protection) that directly benefit an entity that has contracted with and reimbursed the City for such services. It is agreed that the pay rates as specified in this section meet the requirements of the Fair Labor Standards Act for overtime pay.

Section 9.8. SPECIAL COMPENSATION. In addition to the other applicable provisions of this Memorandum of Understanding, Fire Captains only are also eligible to receive:

No obligation shall accrue to the City as a result of the operation of this Section.

B. It shall be the responsibility of the individual who has agreed to work a shift exchange to report for duty or, if unable to report for duty, make arrangements for his/her replacement. In the event he/she is unable to find a replacement the City may hire a replacement and charge the vacation or overtime to the individual who was unable to report for duty. EDUCATION WAGE BENEFIT AND CAREER DEVELOPMENT PROGRAM

Section 11.1. TUITION REIMBURSEMENT PLAN. The provisions of this section are subject to funding being authorized through the annual City budget process. For the term of the MOU beginning June 26, 2016 and extending through June 22, 2019, the Tuition Reimbursement Plan will be unfunded unless the City Council authorizes funding during the budget process.

Permanent employees receiving prior approval from the Fire Chief for each individual course, shall be eligible to receive tuition reimbursement pursuant to this Memorandum of Understanding for course work leading to or as a prerequisite for a degree or certification which is directly related to the employee’s position and duties with the City.

The City shall reimburse employee’s costs for required school fees such as tuition, registration fees, and books, subject to the limits set forth in this Article. Other fees, such as mileage, activity cards and other optional fees shall not be reimbursed. The following rules shall apply for reimbursement:

A. Courses must relate to the employee’s present job or directly relate to the employee’s potential development with the City.

B. Course work taken at recognized accredited institutions shall be considered for reimbursement. Reimbursement for course work taken at a non-accredited institution shall be subject to the sole discretion of the Fire Chief.

C. Employees shall not receive tuition reimbursement if they fail to satisfactorily complete the approved course and/or fail to receive a grade of “C” or better.

D. In the event an employee receives assistance under federal or state government legislation or other student aid programs for education charges for an approved course, only the difference, if any, between such assistance and the education charges an employee actually incurs, shall be eligible for reimbursement under this plan.

E. Course books for which an employee receives reimbursement shall become the property of the City. Books may be sold by the City back to the educational institution’s bookstore, and monies received returned to the City. Employees who wish to keep course books shall not be reimbursed for same.
F. If an employee, of his/her own volition, withdraws from a course before completion, he/she will refund to the City all monies paid by the City toward that course. If an employee is forced to withdraw due to job reasons, and with the Fire Chief's approval, no refund will be necessary.

G. An employee who leaves the employment of the City before completion of the semester, and therefore does not complete the course(s) while working for the City, shall refund all monies paid him/her by the City for the course(s). No prorating will be permitted.

H. Upon completion of each semester, the employee shall be responsible for reporting grades received to the Fire Chief for recording purposes and for supplying a copy of the grade receipt for the employee's personnel file.

Reimbursement for books and registration fees shall be paid upon receipt of proof of payment by the employee. Tuition costs shall be reimbursed following completion of the course and submittal of proof for the successful completion of the course as required by this Section. If the City requires the employee to withdraw from the course, the City shall reimburse the employee for the cost of tuition. All payments shall be made as part of the regular City Warrant.

Tuition reimbursement shall not be allowed for internship courses or independent study courses where course work requirements are considered solely a continuing condition of employment.

Failure on the part of an employee to provide any information required to determine eligibility for reimbursement, or providing false information for reimbursement requests, shall result in the employee being ineligible for any future tuition reimbursements, and may result in disciplinary actions.

Section 11.2, LIMITATIONS ON TUITION REIMBURSEMENT. No employee shall be reimbursed for an individual course in an amount greater than the cost for the same level of course (i.e., undergraduate, and graduate) as charged by a school in the California State University system.

An employee may request reimbursement for general tuition for a degree program in lieu of reimbursement for an individual course. In such case the amount of tuition reimbursement shall not exceed the cost of general tuition for a California State resident in a school in the California State University system under the same semester periods as the degree program requested.
In no case shall the total amount of tuition reimbursement for individual courses to an employee in a given fiscal year exceed the amount of general tuition in a school in the California State University system for two (2) semesters or three (3) quarters.

All reimbursements shall be approved based on the availability of funds budgeted for that purpose during any given fiscal year. Availability of funds shall be determined by the City Manager.

LEAVES OF ABSENCE
Section 16.1. AUTHORIZED LEAVE OF ABSENCE WITHOUT PAY. Upon recommendation from the department head, and with the approval of the City Manager, a permanent, full-time employee may be granted a leave of absence without pay in cases of personal emergency or necessity, or where such absence would not be contrary to the best interests of the City, for a period not to exceed ninety (90) calendar days. The request for and the approval of such leave shall be in writing and a copy placed in the employee’s personnel file.

At the expiration of the approved leave, or within a reasonable period of time after notice to return to duty, the employee shall be reinstated to the position held at the time leave was granted. Failure on the part of the employee on leave to report promptly at such leave’s expiration, or within a reasonable time after receiving a notice to return to duty shall be cause for discharge. The depositing in the United States Postal Service mail of a first class letter, postage paid, addressed to the employee’s last known place of residence, shall meet the requirements of reasonable notice.

During any authorized leave of absence without pay an employee shall not be eligible to accumulate or receive benefits except as specifically provided for in this Memorandum of Understanding. The City shall contribute to an employee’s medical health plan, dental and vision insurance plan, and life insurance plan for the first thirty (30) calendar days of an employee’s authorized leave of absence. Thereafter, the City shall not have any obligation to contribute to an employee’s medical health plan, dental and visual insurance plan or life insurance plan until the employee is reinstated in a permanent position unless otherwise required under state or federal legislation. Vacation leave shall not be accrued beyond the first thirty (30) calendar days of an absence without pay.

Section 16.2. EXTENDED LEAVE OF ABSENCE. Upon written request of the employee and approval of the City Manager, the City Council may grant an extended leave of absence with or without pay for a period not to exceed one (1) year.

All provisions of Section 15.1 of this Article shall apply to extended leaves of absence, unless specifically authorized otherwise by the City Council.

Section 16.3. MILITARY LEAVE OF ABSENCE. Military leave shall be granted in accordance with the provisions of state and federal law. All employees entitled to military leave shall give the department head an opportunity, within the limits of applicable laws, to determine when such leave shall be taken. Whenever possible, the employee involved shall notify his/her department head of such leave at least ten (10) working days in advance of the beginning date of such leave.
Section 16.4. BEREAVEMENT LEAVE. Effective on July 1, 1989, the death of a member of an affected employee's immediate family; meaning spouse, natural or adopted child, step-child, grandchild, brother, sister, parent, grandparent, great grandparent, parent-in-law, brother or sister-in-law, step-parent, step-brother, step-sister, or other relative living in the same household, the employee shall be granted bereavement leave as follows:

A. If the death occurred within a two hundred (200) mile radius of the City of San Marino, the employee shall be granted up to two (2) shifts bereavement leave.

B. If the death occurred outside a two hundred (200) miles radius of the City of San Marino, the employee shall be granted up to three (3) shifts bereavement leave.

Section 16.5. JURY DUTY. Every permanent employee covered under this agreement who is called or required to serve as a trial juror shall be entitled to be absent with full pay from duties not to exceed 40 hours of actual jury service in court within a three year period. The employee shall provide evidence of jury duty notification to management within four days of receipt, but no less than one week prior to reporting for jury duty. Additionally, the employee shall provide evidence of actual hours of jury duty service in order to be eligible for compensation. For the purpose of this section, full pay shall be the employee's base salary exclusive of premium pay or overtime. Jury duty hours shall not be counted as hours worked pursuant to FLSA.

Section 16.6. FAMILY CARE AND MEDICAL LEAVE. Under federal and state law, the City is required to provide up to 12 weeks of job-protected leave, paid or unpaid, for medical reasons with continued healthcare benefits under the same terms and conditions as when the employee is working, for the birth or adoption of a child; and for the care of a child, spouse, or parent who has a serious health condition. The following provisions set forth unit members' rights and obligations with respect to such leave. Rights and obligations which are not specifically set forth below are set forth in the Department of Labor regulations implementing the Federal Family and Medical Leave Act of 1993 ("FMLA"), and the regulations of the California Fair Employment and Housing Commission implementing the California Family Rights Act ("CFRA") (Government Code § 12945.2). Unless otherwise provided by this article, "Leave" under this article shall mean leave pursuant to the FMLA and CFRA.

The City will grant FMLA/CFRA to all employees who request leave under FMLA/CFRA in accordance with the law. Whenever FMLA is requested by an employee it will run concurrently with CFRA (where applicable).
An employee must be employed with the City for at least 12 months and worked at least 1,250 hours during the 12 months. A member's entitlement to leave for the birth or placement of a child for adoption or foster care expires 12 months after the birth or placement.

The 12-month period for calculating leave entitlement will be a "rolling period" measured backward from the last date leave is taken and continues with each additional leave day taken. Thus, whenever a member requests leave, the City will look back over the previous 12-month period to determine how much leave has been used in determining how much leave a member is entitled to.

If a member requests leave for any reason permitted under the law, he/she must exhaust all accrued leaves in connection with the leave. The exhaustion of accrued leave will run concurrently with the leave.

Member must fill out the following applicable forms in connection with leave under this Article:

1. Employee must provide at least 30 day's written notice, when possible, by filling out a "Request for Family or Medical Leave Form" prepared by the City to be eligible for leave;

2. Medical certification - either for the member's own serious health condition or for the serious health condition of a child, parent or spouse;

4. Fitness for duty to return from leave form.

employee to the "FFBP":

July 1, 2019: Eleven Hundred Dollars ($1,100.00)
July 1, 2020: Twelve Hundred Dollars ($1,200.00)
July 1, 2021: Thirteen Hundred Dollars ($1,300.00)

Section 17.6. FLORES DECISION. For employees who have or continue to exercise the
cash-out option the following shall apply:

Federal Labor Standards Act (FLSA) Overtime: On June 2, 2016, the United States Court
of Appeals for the Ninth Circuit published its opinion in Danny Flores v. City of San Gabriel
(the "decision"), which indicated that the City's payment of unused health benefits must be
included in the regular rate of pay and thus in the calculation of overtime. The City and
the Association understand that the City of San Gabriel will be petitioning the United States
Supreme Court for review. Until such time as a final decision is in effect (either denial of
the petition by the United States Supreme Court or a decision by the United States
Supreme Court), the City and the Association mutually agree to hold implementation of that
decision in abeyance.

If, and when, the decision becomes final in favor of the individual plaintiffs, the City will: Recalculate FLSA overtime retroactive to June 28, 2015 according to the decision; Prospectively pay FLSA overtime according to the decision; Cease allowing employees to "cash out" FFBP and require employees to place all monies in deferred compensation.

The City and Association acknowledge that this language completes satisfaction of any liability, both retroactive and prospective, for FLSA overtime under the decision. If, and when, the decision becomes final in favor of the City of San Gabriel, the City will allow employees to cash out and/or place monies in deferred compensation at the employees' option.
