

OverDrive for Androids

1. Go to the app store located on your android device.
2. Download the **OverDrive** app. 
3. Once the app is downloaded, open it to sign in or sign up to OverDrive.
4. In the **My Libraries** section of OverDrive click **+Add a library**.
5. **Search** for Crowell Public Library.
6. You will then **select** the **Southern California Digital Library**.
7. On the Southern California Digital Library page you will **sign** in using your Crowell Public **Library card number** and personal **pin**.
 - Your library card number can be located on the back of your card and should be entered without any spaces.
 - Your pin number was preset when you applied for a library card and will be the last 4 digits of the phone number you provided on your application.
8. From there you will be able to browse ebooks and audiobooks to make your selection.
9. Once you have made your selection, click **borrow**.
10. The item will now be located within your Southern California Digital Library **bookshelf**. From here you can either read it in your browser or **download** it to your phone.
11. To download, select the download option and choose either the **Kindle** (which will require a kindle app and amazon account) or the **EPUB ebook**.
 - For audiobooks you can **download** the MP3 Audiobook or **listen** in your browser.
12. The EPUB ebook with download to your phone and be located on the **OverDrive bookshelf** which can be located by the three lines in the upper left corner of the screen.

13. From there you will be able to read or listen to your Overdrive Selection.
