
VETERANS WALK CONTRIBUTIONS

The San Marino War Memorial was dedicated on November 11, 2007. We as community members have a lot to be proud of. If you would still like to make a contribution, this is one way you can help. A Veterans' Walk surrounds the back of the War Memorial. The walk has etchings with the names of veterans (those who served from all services, from all conflicts and in peacetime). The symbolism is that the veterans on the walk are surrounding and standing in support of the fallen heroes named on the granite panels on the front of the War Memorial. Additional names will be collected and etched as long as there is room available on the walkway.

YES – I would like to recognize myself, a friend or relative who served in the Armed Forces with an engraving on the Veterans Walk. There is no requirement that the veteran have been a resident of San Marino.

The tax deductible contribution is \$300 per engraving.
