

School Traffic Safety

Dear Parent:

As we begin a new school year one of your Police Department's top priorities will be to ensure your child is able to safely travel to and from school. To accomplish this you will see a higher than usual number of officers patrolling the areas around San Marino High, Huntington Middle School, Carver and Valentine Elementary during the first few weeks of schools.

These officers will be working to ensure all parking, pedestrian, and right of way laws are followed. The goal is to establish safe driving and walking patterns that will help keep your child safe all year. Hopefully this can be accomplished through voluntary cooperation, but officers will also be issuing warnings and citations as deemed necessary.

In advance, thank you for your assistance and support in making your child's 2009~2010 San Marino School experience both safe and educational.

San Marino Police Department
