Dear San Marino Residents,

The last year and a half has been a difficult period for all of us, but I have been inspired by how this community has come together to help each other, support our local businesses, and find ways to stay connected. I am immensely grateful for the amazing work our Community Services Department did to foster a sense of community during a period where their traditional programming had to be shut down almost completely. Our Community Services Department quickly shifted gears and created a comprehensive Virtual Recreation online resource center, and the Crowell Public Library began curbside pickup services while conducting online programming like virtual storytime.

As public health orders were loosened, they brought programming outside and created innovative drive-through events and citywide scavenger hunts for families. And while doing all that, they were a lifeline to our senior and homebound residents, doing wellness checks and even going as far as to bringing groceries and other essentials to those who couldn’t safely leave their homes.

As I write this message in mid-July, City facilities are reopened and in-person programming has returned, but Los Angeles County has just reinstated an indoor mask mandate due to rising COVID-19 case numbers. I am hopeful, however, that by the time you are reading this, we will be moving forward on our recovery journey, and that we will be seeing each other at all wonderful programs and events the City will be offering this fall.

For the most up-to-date programming calendar, you can always go to www.cityofsanmarino.org. You can also subscribe to my weekly e-newsletter that highlights upcoming events and other important City news by going to www.cityofsanmarino.org/subscribe.

Library Card Sign-Up Month
Month of September

Does your child have their very own Smart Card? From free access to ebooks and audiobooks, educational apps and databases, homework help, and technology demos from the expertise of librarians, a library card is one of the most cost-effective back-to-school supplies available. During the month of September, kids who show their own library card to a librarian at the Children's Reference Desk will get special prize! Please note that to qualify, children must have their own card in their own name (not their parents').

This kit will include fun activities and crafts for young caped crusaders. Registration is required; supplies are limited.

This year, the library is getting into the fall spirit by hosting a pumpkin decorating contest. Kids, middle grade children, teens, and adults are invited to decorate a pumpkin like their favorite book character and enter to win a gift card to Vroman’s. It’s easy and fun for the whole family! Participants may bring in a decorated pumpkin (no carving, please!) with completed entry form to Crowell Library and enter it into our contest October 1st – October 23rd. All entries must be received by 5:00pm the day of October 23rd. Please see the library website for full rules and more information.

Did you overdo it this year and stock up on way too much Halloween candy? Crowell Library is happy to take it off your hands! Spare your teeth and make your dentist proud by donating your leftover candy to the library for us to use in future programs. Please address your donation to the Youth Services Librarian.

ROOOOOOOOAR! It's Dino-vember! Unleash your inner prehistoric reptile with a fun craft to do safely at home. Supplies are limited; registration required.

We begin the day with our guide Curt Tucker, traveling South to Orange County and lunch at Ruby’s Diner(see menu choices above), located at the site of the original Santa Fe depot. The 1938 era building has been transformed into a show-stopping venue - from a model train that travels cross-country through a diorama of America to an array of artwork that pays homage to Orange’s historical past. Next we venture to the Hilbert Museum for a docent-guided tour. This is the nation’s only institution dedicated to the display of California Scene painting and California representational art. The collection includes oils, watercolors, sketches and lithographs of rural and urban life in the Golden State and features a who’s who of 20th century California masters.

Lastly we will have time to explore Old Town Orange and its many Antiques stores and gourmet shoppes, and/or visit the California’s Gold Exhibit and Huell Howser Archives, housed in Chapman University. Join us for a fun Slice of Orange!

Over the past few years, the Los Angeles beach art and food scene has undergone a renaissance fueled by an amazing cadre of artists and chefs - both local and international. Today our guide Curt, will take us through a mix of historically significant architecture, highly regarded restaurants, and inspiring art galleries. We will make our first brief stop in Marina del Rey, the world’s largest man made small craft harbor, then on to Venice where we will see one of the remaining Venice Canals, and drive through eclectic Abbot Kinney Blvd. on our way to Santa Monica.

Our adventure continues as we feast our eyes on the sights of Santa Monica with a fantastic walking food tour. Savor mouthwatering food and snacks from local restaurants and bakeries and hear stories of Santa Monica’s famous past. From fresh hand-stomped lemonade to a delicious bakery treat for dessert, and everything in between, your palate will be peppered with local favorites.

Stops throughout the day will give you an opportunity to take photos and see the latest public art including statues and murals dedicated to L.A. sports figures like Kobe Bryant and Mookie Betts.

Mid-day we will stop for lunch on your own at Grand Central Market. First opened in October 1917 it was called the Wonder Market - “the largest and finest public market on the Pacific Coast.” Today, the market is a microcosm of the historic immigrant communities that have shaped LA and a mosaic of the creativity and vision of the people who call this city home.
