FINDINGS FOR A PRIVATE TREE REMOVAL:

The Planning and Building Director, or his or her designee, may issue a tree removal permit, only if he or she determines that the following requirements have been met:

Findings:

a. The established tree or oak tree adversely impacts the growth of adjacent trees or constitutes a nuisance or a hazard to persons or property because of its condition, location, species, proximity to existing structures, closeness to walkways or interference with utilities; or

b. The removal of the proposed established tree is part of a re-landscaping plan that the planning and building director finds will provide a tree canopy that is sustainable over the long term.

Please provide information that justifies the approval of your request. Use additional sheets if more space is necessary to complete your response. See Section 23.06.15 of the Municipal Code – Preservation of Trees Ordinance for any additional Code requirements. Approval of the removal of landmark and landmark-eligible trees shall follow the procedures for the removal of landmarks in Chapter 23.18.010 of the Zoning Code.
